#	Publication	Authors	Year
1	A study of some changes in coagulation parameters in various types of cerebrospinal meningitis, the Arab journal of laboratory medicine	-	1994
2	A study of the prevalence of diarrhea with acute respiratory infections in infants and pre-school children, presented at the annual medical conference of banha faculty of medicine	-	1990
3	Adrenal function in neonatal septicemia, presented at the 15 annual of Mansoura University in collaboration with the Egyptian pediatric association	-	1994
4	Assessment of changes in some hematological and immunological parameters during an after exchange blood transfusions in neonates with septicemia and hemolytic disease, presented at the Pan African Maternal and child health international conference, Cairo, Egypt	-	1994
5	Breastfeeding versus artificial feeding in a follow- up study of Growth of infants in Menoufia governorate, presented at the annual conference of the Union of Arab pediatric societies.	-	1989
6	Etiological and clinical studies in pre-school children with cerebral palsy, annuals of the pediatric conference of Banha faculty of medicine	-	1989
7	Evaluation of the need for a second dose of measles in Egyptian children, the Gazette of the Egyptian pediatric Association 1993 (In collaboration with UNICEF) .	-	1993
8	Fluid and electrolyte therapy and parentral nutrition in low birth infants, annuals of the pediatric conference of Banha faculty of Medicine	-	1989
9	Hazards of exchange blood transfusions in neonates: assessment of some changes in blood chemistry during and after the procedure, presented in the 15 Annual conference in Mansoura University in collaboration with the Egyptian pediatrics association	-	1994
10	Knowledge, attitude and practice of breastfeeding in Menoufia governorate, presented at the 5 annual medical conference of Banha faculty of medicine	-	1990
11	Laboratory surveillance of newborns with respiratory distress syndrome treated with a bovine surfactant, the gazette of egyptian pediatric association	-	1994
12	Measles antibody titer in Egyptian school age children: Vaccine failure and the need for a booster dose, the Medical journal of Cairo University, vol. 61,(in collaboration with UNICEF).	-	1993
13	Measles Vaccination at the age of nine months: is there cause for alarm? (Assessment of phagocytic activity and some hematological indices), Al-Azhar journal of Al-Azhar journal of Microbiology vol.19: 210-225, 1993.	-	1993
14	Measurement of plasma fibrin D-dimer using monoclonal antibody – coated latex particles: a new approach for screening of DIC in newborns, the new Egyptian journal of medicine vol.10 (6)	-	1994
15	Passive smoking as a possible hazard of respiratory tract infections in pediatrics, the gazette of the Egyptian pediatric association vol. 37(1-2)	-	1989
16	Peroral jejunal biopsy in some gastrointestinal problems in children, presented at the annual conference of the Union of Arab pediatric societies.	-	1989
17	Protein C and coagulation disturbances in infants of hypertensive mothers, Al-Azhar journal of pharmaceutical sciences vol. 11	-	1993
18	Protein C – activity and protein S in chronic liver disease in children, the egyptian journal of pediatrics 9 (3-4)	-	1992
19	Protein C – activity and protein S in chronic liver disease in children, the egyptian journal of pediatrics 9 (3-4)	-	1992
20	Serum enzyme and bilirubin in newborns, presented at the 5 annual medical conference of banha faculty of medicine,	-	1990
21	Serum osteocalcin as a marker of bone metabolism during nutritional recovery in cases of protein energy malnutrition, the Egyptian journal of pediatrics vol. 11	-	1994
22	Some biochemical changes in children with acute lymphoblastic leukemia, the Egyptian journal of pediatrics, vol. 5 (3-4),	-	1988
23	Study of some acute phase reactant in newborn infants, presented at the 4 annual international conference for laboratory medicine in Washington D.C., USA,	-	1989
24	T3, T4 and T3 uptake in healthy human milk versus formula milk fed infants, the gazette of the Egyptian pediatric association vol. 37(1-2)	-	1989

25	The effect of age on the antibody response to live attenuated Measles virus vaccine, the Egyptian journal of Pediatrics, vol. (3-4), 1988.	-	1988
26	The effect of Bovine surfactant therapy on the ventilatory setting of newborns with respiratory distress syndrome , the new Egyptian journal of Medicine, vol. 10 (5) : 1934 – 1940, 1994	-	1994
