

12th ANNUAL MEDICAL CONFERENCE BENHA FACULTY OF MEDICINE (BFM)

2nd BENHA CADAVERIC PERIPHERAL NERVE WORKSHOP

29 July 2025

Faculty of Medicine, Department of
Anatomy, Benha University

UNDER PATRONAGE OF

Prof. Nasser El-Gizawy
President of Benha University

Prof. Mohamed Elashhab
Dean of Benha Faculty of Medicine

Prof. Usama Fouad
Head of Anatomy Department
and Manager of CME

WORKSHOP CO-ORDINATOR

Prof. Islam Aboulfetouh
Head of Neurosurgery Department

Dr. Hany El Nemr
Lecturer of Neurosurgery, Benha University

WORKSHOP DIRECTOR

Prof. Hesham El Sobky
Professor of Neurosurgery,
Mansoura University

GUEST SPEAKER

Prof. Bassam Addas
Professor of Neurosurgery
King Abdelaziz University Jeddah KSA

Faculty

Prof. Hesham El Sobky
Professor of Neurosurgery ,
Mansoura University

Prof. Bassam Addas
Professor of Neurosurgery
King Abdelaziz University Jeddah KSA

Dr. Mohamed ElSebaey
Lecturer, Benha Teaching Hospital
General Organization of Teaching
Hospitals and institutes GOTHI

Dr. Ahmed Hussein Omar
Lecturer of Neurosurgery,
Cairo University

Benha Cadaveric Peripheral Nerve Surgery Course

09:00 AM - 09:30 AM

Registration and opening remarks

09:30 AM - 09:45 AM

Surgical anatomy of the brachial plexus and thoracic outlet
Dr Mai Hassan (Assistant Professor of Anatomy)

Surgical anatomy of the sciatic nerve
Dr.Nehal shahin (Assistant Professor of Anatomy)

10:00 AM - 10:15 AM

Overview of traumatic brachial plexus injury
Dr. Mohamed Elsebaie

10:15 AM - 10:30 AM

Restoration of elbow flexion and hand reanimation in traumatic palsy
Prof. Hesham Elsobky

10:30 AM -10:45 AM

Shoulder reanimation in patients with traumatic palsy
Dr. Ahmed Hussien

Discussion

Compressive Neuropathies & Nerve injuries

11:05 AM - 11:20 AM

Laceration injury of the peripheral nerves
Prof. Bassam Addas

11:20 AM - 11:35 AM

Decision making and techniques of PN surgery
Dr. Mohamed Elsebaie

11:35 AM - 11:50 AM

Topography of peripheral nerves
Dr. Ahmed Hussien

11:50 AM - 12:05 PM

Tendon transfer for management of PN injuries
Prof. Hesham Elsobky

12:05 PM - 12:20 PM

Entrapment of LL nerves
Dr. Ahmed Hussien

12:20 PM - 12:35 PM

Cervical rib a special cause of TOS
Prof. Hesham Elsobky

12:35 PM - 12:50 PM

Entrapment of UL nerves
Dr. Mohamed Elsebaie

12:50 PM - 01:00 PM

Obstetrical BPI
Prof. Hesham Elsobky

01:00 PM - 04:00 PM

Hands on Section

- Supraclavicular dissection
- Infraclavicular and forearm dissection of brachial plexus
- Nerve transfer for elbow flexion restoration
- Ulnar nerve decompression around the elbow and at wrist
- Radial nerve and posterior interosseous nerve exploration at the elbow and Forearm
- Radial nerve exploration posterior approach and somsak procedure
- Exploration of Sciatic nerve and its branches
